

T&T ELECTRIC, INC. WARRANTY

T&T Electric, Inc., warrants that all workmanship provided by our employees be done in accordance with the National Electrical Code, be free from defects, including the installation of parts and repairs, for up to one year after the date of acceptance of installation, and will repair any installation that we find to be defective free of charge, subject to the limitations detailed below. This warranty extends through one year after the date of acceptance of installation.

Limited Lifetime Parts Warranty:

T&T Electric, Inc. warrants that all parts provided and installed by our employees be free of defects for at least one year from the date of acceptance or installation and that we will provide a replacement part free of charge or repair damage or defective parts free of charge (at our discretion), subject to the limitations detailed below. Parts that become defective within one year (365 days) of installation are covered by full warranty including the cost of the installation of the new part. Parts that become defective after one year are not covered unless otherwise provided by that specific part manufacturer.

Non Durable Replaceable Parts:

Non Durable Replaceable Parts are parts that have limited life expectancy and are designed to be replaced. These types of parts are specifically excluded from this warranty and are not covered by T&T Electric Inc. These types of parts include but are not limited to Light Bulbs, Ballast, Fuses, Batteries, etc.

Exception: Non Durable Replaceable Parts that were not properly installed are covered under the parts warranty.

General Conditions and Exclusions:

This warranty extends only to parts and labor provided by T&T Electric Inc. Parts provided by others or installations done by others are expressly excluded from this warranty. This warranty does not cover items damaged by acts of nature, misuse, or abuse. Light bulbs are expressly excluded from this warranty. T&T Electric Inc. provides no warranty coverage for light bulbs that were properly installed. This warranty is limited to only those items installed or provided by Kraft T&T Electric Inc. Remedies for warranty claims are limited to the repair or replacement of the damaged part or faulty installation up to but not exceeding a full refund for the installation or faulty portion of the installation. This warranty does not cover the cost of repairs made by others unless authorized in writing by T&T Electric Inc. This warranty does not apply to installation or parts for which T&T Electric Inc has not received payment. Failure to pay voids any and all warranty coverage offered by T&T Electric Inc.
